AUXILIARY TABLE FOR CUTTING ROOMS SK-1

A powder-coated, steel frame of a cutting table. A more portable version of the SK-3 cutting table developed with interoperability in mind. It can be used for cutting small and medium-sized elements. Tabletop sold separately on demand (MDF 2100x1000x25 mm).

- The table frame is made of closed steel profiles that provide good durability and stability;
- A more portable version of the SK-3 table: 2080 x 770 x 820 mm;
- Great for small workstations.
