MANUAL MEASURING DEVICE FOR BAND KNIFE PR-3_1S

The one sided manual measuring device PR-3_1S was designed as an additional component to Rexel band knife machines R1250, R1150, R1000, R750 and R500.This device allows for an accurate cut of pieces of fabric, foam, and other materials thanks to a measuring line that ensures that the proper length of the fabric or foam is cut.

NOTE: This measuring device can only be mounted to tabletops without an operator cutout.
