PNEUMATIC LIFTING TABLE FOR SOFA PACKAGING ST-6

A special compact table for packing furniture. It has control on one side only. The table has a control valve that allows you to set the height of the table only in the minimum or maximum position. Table top is discussed individually.

Key features:

- This solid construction is based on steel profiles and pneumatic cylinder.

- The pneumatic cylinder is foot-controlled.

- The table has a connection slot for pneumatic tools.

- Cutting power off does not make the table fold.

Specifications:
